

Model specification :

- mesh back
- BR-ZODIAC-RP-NY - Adjustable armrest with sliding/rotating soft pad
- BS-KAISHA-NY 680 - Nylon base
- MS-APROM-SY-TR - Synchro mechanism with seat slider

| Overall dimensions (mm)                                         |    | From | To   | Stroke |     |
|-----------------------------------------------------------------|----|------|------|--------|-----|
| Total height (version with headrest)                            | A  | 1235 | 1420 |        |     |
| Total height (version without headrest)                         | A  | 1050 | 1160 |        |     |
| Total width                                                     | B  | 675  | 715  |        |     |
| Total depth                                                     | C  | 590  | 640  |        |     |
| Back width                                                      | D  | 480  |      |        |     |
| Seat width                                                      | E  | 515  |      |        |     |
| Height to top of seat                                           | F  | 425  | 535  | F1     | 110 |
| Back height from top of seat                                    | G  | 525  |      | G1     |     |
| Seat depth (measured from lumbar support)                       | H  | 445  | 495  | H1     | 50  |
| Seat depth (measured as depth of seat only)                     | H3 | 465  |      |        |     |
| Headrest height                                                 | J  | 185  | 260  | J1     | 75  |
| Armrest height from top of seat                                 | L  | 190  | 265  | L1     | 75  |
| Armrest pad width                                               | M  | 85   |      |        |     |
| Armrest pad lateral movement (measured on one side)             | M2 |      |      |        |     |
| Armrest pad length                                              | N  | 240  |      |        |     |
| Armrest pad front-back movement                                 | N2 | 60   |      |        |     |
| Armrest pad angle (measured as rotation to one side)            | Q  | 15   |      |        |     |
| Additional width of rotated armrest pad (on one side)           | Q2 | 40   |      |        |     |
| Lateral movement of whole armrest (for one armrest)             | R2 |      |      |        |     |
| Base diameter                                                   | S  | 680  |      |        |     |
| Wheel diameter                                                  | T  | 50   |      |        |     |
| Footrest diameter                                               | V  |      |      |        |     |
| Height to top of footrest                                       | Z  |      |      |        |     |
| If with coathanger option, pls add to dimension C (total depth) | X1 | 20   |      |        |     |
